

Dryden High School  
Group Leader: Ted Mitchell

I'm excited to tell you about the upcoming opportunity for students of Dryden High to go on a Grecian Odyssey! We have partnered with EF Educational Tours to provide a safe, high-quality tour at an affordable cost trip to Greece.

I believe that an educational tour helps teach students essential life skills while enhancing their academic experience. They get to make new friends and exchange ideas; they gain confidence and become more independent. In the end, they return home with a fresh perspective on the world.

Give the gift of travel. Please discuss this incredible opportunity as a family.
